Manual Lymphatic Massage Full Body

Massage that stimulates natural lymph drainage, speeding up metabolism and helping to eliminate waste body and fluid retention. It also works as a form of relaxation, reducing stress.

50 minutos

60€

Cervical Massage

Treatment that allows the relief of tension accumulated in the areas surrounding the cervical (shoulders, neck and bottom of the head)

25 minutos

35€

Modelling Massage

Massage made with stronger and deeper movements in order to reach deeper layers of the skin. It also acts on the circulation, improving the metabolism of the desired region. Efficient against cellulite, but only in mild and moderate degrees.
